Schools and libraries should send an official order on the organisation's notepaper and will get an invoice and 30 days credit with the music.

If you would like to help to spread the news of Merton's extraordinary value for money and can distribute six or more catalogs to other string chamber music players we should like to reward your efforts with a free copy of *Merton Composers*. Write '7777' in the first column and 'Free' in the second and the catalogues will be included with your order.
